CANFORD School pupils have received a staggering number of offers to universities in the UK and abroad.

More than 500 offers have been made to the 145 pupils applying through UCAS this year.

A total of 17 pupils have received offers from Oxbridge, medical schools, US institutions and for dentistry and veterinary science courses.

There are also 17 offers for Durham University, 13 for Exeter, nine for Bath and six each for Bristol and Edinburgh.

Headmaster Ben Vessey said: "Very well done to all those who have been successful in their applications. We have Canfordians heading to over 30 different top quality universities and colleges this year, which illustrates the diversity of talent and the fulfilment of our aim to ensure that these next steps are along the right path for each individual."
